Sir:

On April 5, 2006 a Petition was filed under 37 CFR 1.147(a) to accept the declaration signed by one inventor on behalf of both inventors. A Decision denying the petition was issued on May 19, 2006, indicating as reasons for denial that the declaration failed to list all of the inventors, and the petition failed to state the last known address of the non-signing inventor, but otherwise met the requirements of 37 CFR 1.47(a). A renewed petition was filed on June 23, 2006 and a Decision again denying the petition was issued. It is submitted that this renewed petition corrects all deficiencies.

Applicant Kimmo Puhakka hereby files this Renewed Petition for acceptance of the attached declaration under 37 CFR 1.47(a) on behalf of himself and joint inventor Iain Benson, who refuses to sign. The declaration lists both inventors, but is signed only by Kimmo Puhakka.

Attached hereto is the Notice to File Missing Parts, a declaration signed by Kimmo Puhakka, and a Statement of Facts By Heather McCann.

The Statement of Facts By Heather McCann indicates that Ms. McCann sent a letter to Mr. Benson (attached to the Statement) forwarding the application papers (for this application and related application 10/532,119) including the specification, claims drawings, an assignment and a declaration, and that Mr. Benson refused to sign the declaration. The papers were sent to Mr. Benson's last known address of:

Mr. Iain Benson

It is believed that this petition fulfills all requirements of 37 CFR 1.47(a), and that no additional fees are due. Should there be any questions concerning this matter, please contact the undersigned. The Office is hereby authorized to charge any fees for this petition, and any fees due under 37 C.F.R. § 1.16, § 1.17, or § 1.136, or credit any overpayment to Deposit Account No. 11-0600.

Respectfully submitted,
